

Illness...

Just a reminder that any child who is showing symptoms of a communicable illness such as an elevated fever, vomiting, or diarrhea is required by Oregon law to be free of symptoms for 24 hours before returning to school. Please do not send your child to school with a fever that is

suppressed by medication. They are still contagious and will expose the other children to illness. We are doing all that we can to keep illness out of the school by following CDC guidelines and need your help to keep illness from spreading.

Thank you Martin family for donating the magnetic shape puzzle boards to the classroom. The children really enjoy using the materials and it is an excellent pre-language activity.

Scholastic Book Fair...

You are invited to attend a special reading event at this school - the Scholastic Bookfair! Visiting the book fair will be like visiting a book store just for children. You and your child will find the newest and best books available in children's literature. As you are aware, books inspire young minds and help your child discover the rich rewards of reading, imagination and creativity. All purchases will benefit our school by generating funds for the audio equipment we would like to purchase for each classroom. The book fair will be open during regular school hours, please feel free to browse and buy at any time. The book fair will be set up during the entire week of December 5-9 in the classroom next to Miss Cheryl's. Thank you for your support!

Thank you to all of the parents who provided treats and goodies for the Harvest Party. The children had a great time and everyone went home with a bag full of goodies!

We would like to say thank you to the Kelly family for donating Sunflowers to the classroom last month for the Practical Life area of the classroom! The children enjoyed picking the seeds with tweezers...great fine motor task!

Parent-Teacher Conferences:

There will be a sign-up sheet on each classroom door with available conference times with each teacher. Please sign up early to get a time that works best for you. This is a great opportunity to meet your child's teacher and discuss any concerns you may have. In

order to make the most of your conference time it may be helpful to write down questions you may have or anything you want to discuss. Each conference is limited to 20 minutes so please help us to be respectful of those who are waiting by not going over time. If you have any concerns that may require more time, please schedule a separate conference with your child's teacher. If your child is in the afternoon class, you may schedule your conference with Miss Cheryl or Miss Skylynn who share teaching responsibilities in the afternoon.

THANK YOU LIEPOLD FAMILY

for donating pumpkins for each class to carve!

THANK YOU LIEPOLD FARMS

for donating gift certificates to every student!
